Double Power of Excellence and Luxury

MBC Yachts might be in the marine market for only two years, but already have established itself as a global trend and quality setter in a bespoke luxury yachts niche. It is now going to double the potential by joining with the Absolute Yachts to bring even more variety and tap into the Flybridge Yachts market offering unbeatable efficiency, ample of space, a very attractive price, and the same level of luxury their customers got used to.

The MBC Yachts are one-stop solution for the marine lifestyle enthusiasts. Any vessel, from the small motor yacht, through classic sailing boats to mega yachts is receiving the same globally established level of bespoke approach and maintenance programs tailored for specific needs of each boat owner, combining all necessary services from the sale, purchase, charter, marketing, and management to construction and refit.

Due to extensive expansion plans and development of business MBC Yachts have partnered with "ABSOLUTE YACHTS". The Italian brand, which is known to all yachting enthusiasts, with over 40 years of heritage and experience, marked its presence on the most important international boat shows, and gathered the army of loyal and content customers.

The Absolute Yachts mission was to deliver luxury on board their spacious boats and combine it with state-of-the art technology; low consumption and low noise engine so that all marine adventures could last longer and leave more amazing memories.

Each boat, which is now going to extend the MBC Yachts offer, is crafted with the Ocean in mind and focused on the elegance, functionality, habitability and brightness. Existing clients appreciate the Italian attention to details and style, spacious interiors, designed with practicality in mind, as well as love and passion put into each vessel.

Absolute Yachts are globally known as the environmental friendly and ecological vessels, created with the use of the best quality materials researched and tested to provide maintenance free and sturdy structure. As they say, boat is for life, and

each of them is created to last for many decades and conquer the biggest storms.

Absolute Yachts have a stunning range of products from Navetta through sport yachts, sport cruisers and performance focused sport line. However special attention has been paid to the Flybridge line created with innovation, dynamism, and truly global approach to the comfort on board.

Flybridge line ranges from the small 40FT boat to the massive flagship 72 FT yacht offering unprecedented luxury, great space, massive fuel savings and increased range, but most of all offering a homely feeling and becoming a real home on the sea. The flagship has already received a myriad of accolades including two "Boat of the Year" prizes assigner for Innovation and Best Lay-out. We are particularly impressed with the aggressive personality that stands out from competitors because of its unprecedented sportsmanship.

The whole Absolute Yachts range is powered by Volvo Penta IPS engine system. The Absolute shipyard has been a pioneer in adopting this solution, whose technology is unparalleled today, the only one able to guarantee the best results – in an integrated way – of performance, fuel economy, lower emissions, comfort, areas of housing and ease the housing for operation.

We are definitely looking forward to this amazing business expansion and bringing the stylish line of products to the Middle East. We hope we will soon be able to board on one of the boat sailing to Dubai Marina in Dubai International Boat Show which is going to held from 3rd to 7th March 2015. So mark your calendar and experience the Absolute yacht experience.
