

Absolute Navetta 64

Known as the Absolute Pathfinder, the Navetta 64 (64' 5" LOA, 18' 1" beam) incorporates all of Absolute Yachts' best features as well as outstanding innovations. The use of glass throughout gives this boat a large, open, voluminous feel. The wide side glass windows outline her exterior shape, defined by the substantial enlargement of the bow windows and the opening of the side gunwales in the cockpit. Expansive panoramic windows in the three staterooms—a king-size master with full-beam ensuite, large VIP, and a double cabin—as well as frameless glass windows in the salon with comfortable sofas, entertainment area, and galley brighten these spaces. The salon is overlooked by a steering position with a curved and frameless windshield of more than 10 feet, providing guests unobstructed views forward. In the beach club version of the Navetta 64, the transom can configure from a large storage area to a double cabin thanks to a watertight access door. absoluteyachts.com
